## EDITORIAL

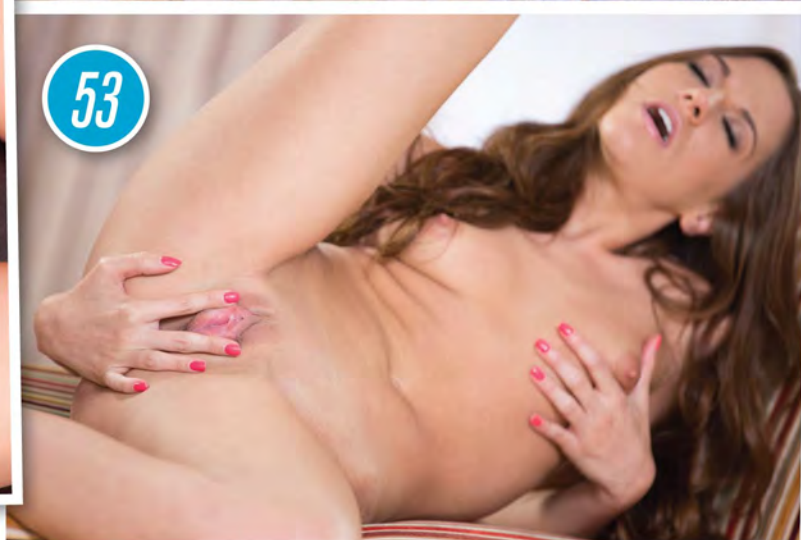

**A**re you thinking of marching through March? Well, halt and about turn you and your little soldier, because we have more than a treat in store for all you Club readers this month. It almost felt like a bumper issue with all the blistering babes packed between the pages of this month issue, so much so that we had to introduce Magazine Control for fear of burning down the print works with all these smouldering hotties. So please proceed with caution as the content could prove hazardous to your health!

*Dear Club,*

I can't even begin to tell you how much I enjoy the last issue 45.03. There are no words to describe the utter joy I took from that particular edition of the mag. All I can tell you is that my pikestaff was going up and down like a yo-yo, as I relieved myself over one page, only to turn over to the next, and find another hottie staring back at me. Then as you can guess, up the commander went again!

I have to say my personal favourite was Natalia Forrest, with her olive skin and perfect body. Closely followed by Chloe Toy, who I couldn't believe hasn't been on a Club cover yet! What have you guys been doing in order to have missed this? But that aside I'm so glad Chloe's finally made it. Now I can put Club 45.03 up there with my favourite issues! *Ant, Cornwall*

*Dear Club,*

I love your mag, and I love the awesome babes that grace the pages, but I do have a small complaint. I know you are not a fetish publication, but why do you rarely feature girls in rubber? I have always loved the sight, smell and feel of the stuff, and these days you can get some fantastic clothes to adorn the curvaceous woman of your choice.

My wife is 32 and nearly six foot tall with long legs, long black hair and lovely firm tits. I introduced her to the joys of dressing up in rubber for me many years ago

She doesn't wear it every time we fuck, but the times I've shot loads over her arse while it's encased in a pair of shiny rubber

panties are moments of passion I will never forget. Take last Friday, for instance; I'd had a hard week at work and Jenny wasn't there when I got home, so I poured myself a beer and headed for the shower.

I didn't hear my wife enter the bathroom due to the noise of the water, but spun around startled as the shower door opened. Jenny stepped into the cubicle and ran her rubber-gloved palm down my soaped-up body until she reached my dick and balls, which she cupped and squeezed gently. Her sleek body was totally encased in rubber with a tiny latex mini, rubber stockings and a new red and black rubber basque that had a hole for each nipple to poke through invitingly.

She looked absolutely incredible, and my dick began to swell in her hand. I leant down and sucked one hard nipple into my mouth, rolling it around with my tongue and biting it gently between my teeth. Jenny moaned softly and wrapped her fingers around my still-stiffening shaft as I tweaked the other nipple between my thumb and forefinger. Picking up the shower gel, I squeezed some onto her shoulder and wiped it over her bulging boobs and down her basque to the little mini-skirt.

It felt so horny, sliding and slipping effortlessly over her lovely curves, and my cock was twitching excitedly as my babe

continued her delicious, slow wank. I pushed my hand up Jenny's tiny taut skirt and was thrilled to discover a slit in her rubber knickers that allowed me access to her twat. I placed a finger inside and followed it with two more, the soap acting as a perfect lubricant. "Give me more," Jenny groaned and opened her legs wider. I pushed all my fingers in and began to fuck her with my hand, my thumb rubbing her clit at the same time. It has always been easy to make Jenny cum, and today was no exception as I felt her body tense and tremble before shuddering to a climax as I pumped my hand in harder.

The water cascaded down the shiny, sleek rubber covering my wife as I slid out my fingers, turned her around and rolled up the tight mini-skirt until her delicious arse was fully on view. Luckily, the rubber crotchless knickers allowed access to her sweet bumhole as well as her cunt, and I wasted no time in slipping a soapy finger inside her tight little hole, working it up to the second knuckle with ease. Jenny gasped and pushed her butt towards me. "Fuck me in the arse!" She moaned, "Go on, bang me as hard as you can. Please?"

Trying to grip her soaped tits wasn't easy as I positioned my knob in between her cheeks and slowly leant forward. My dick burst through her backdoor and sunk straight up

to my balls in one effortless movement on the thick, creamy suds. "Oh, fuck!" Jenny squealed with delight and ground her bum hard against my buried prick. I groped her tits with one hand and reached between her thighs with the other, fingering her sodden slit as I pushed my pulsing cock in and out. So lubricated was her arse, that I could fully withdraw my tool after every thrust, and the sight of her gaping bumhole each time made me even more desperate for release.

"You'd better squirt every drop of spunk down my fucking throat when you've had enough of ramming my arse, you dirty fucker," Jenny commanded in her best dominatrix voice, and pushed one of her fingers into her churning gash alongside my own.

Fingering her cunt together felt incredibly horny, and I knew I wasn't going to be able to stop spurting up her arse unless I quit immediately. I dragged out my glistening dick and turned my lover around, pushing her to her knees as the water continued to spray down from above.

Jenny hungrily sucked the exposed purple knob into her mouth and kept going until it touched the back of her throat; I gasped as my entire tackle disappeared between her glossy red lips. How she didn't choke, especially with the shower still going full tilt, I don't know, but the relentless sucking action and all encompassing blow-job did the trick and my cum exploded down her throat. As I came, Jenny pulled me out of her mouth and directed the jets of thick, gooey sperm all over her rubber encased tits while gripping the base of my tool like a vice.

It seemed like I'd never stop cumming, and coated her face, naked nipples and hair in my seed, which she scooped up like a slut and licked from her palm. We continued our night of fucking in the bedroom with Jenny's body still tightly wrapped in sexy rubber, and I took great pleasure in covering as much of it as I could in great dollops of my cream.

## The Program

DVD £10, Blu-ray £14.99

Never has a fall from grace been so well documented as Lance Armstrong's in light of the doping scandal that rocked cycling more than the cobbles of Northern France. Yet to date, and after Alex Gibney's *The Armstrong Lie*, there still appears to be unresolved points surrounding the scandal. In steps, Stephen Fears with his fictitious movie, *The Program*, an adaptation of *The Sunday Times* journalist David Walsh's doping expose, which nearly terminated his career.

One of the greatest things in the fiction versus documentary argument could be seen as the ability to access moments that fact cannot grasp, such as when Armstrong begins to believe his own lies, as well as all the back stabbing, injections and blood transfusions that fact cannot visually access. Here they are all laid out for our horror to see, with Ben Foster at the helm inhabiting Armstrong's lean physic. Foster plays Armstrong with force and determination, expressing his arrogance, coldness and rage, to perfection. There can be no doubt that Armstrong had a hard start after being diagnosed with a near-fatal testicular tumor at the age of, 21, but it would appear there was no road to Damascus as Armstrong's personally spirals into the downright vile. *The Program* is a fluid and mercilessly telling of greatness built on a foundation of lies that treeds into the psychological implications of a man who won't accept defeat.

## Happy Valley Series Two

DVD £13.50, Blu-ray £16.99

Yorkshire's Calder Valley has been back on our screens for a second series, thank god, after being voted critics and audience top new drama of the year! Rather rare really, as the two hardly ever see eye to eye. The second series kicks off to an odd start, (given the last series was thrilling to the end) with "sheep-rustling", but by the time the opening titles roll, we know we're in for a cracker of a series with Sgt Catherine Cawood (Sarah Lancashire) posed to tackle the criminal idiocy that often comes hand in hand with poverty and drugs. Brilliantly written by Sally Wainwright the first series captured our attentions with morbid relief and the second series repeats on its success.

## Kill Your Friends

DVD £9.99, Blu-ray £14.99

Nicolas Hoult's all grown up and playing a character as far removed as is humanly possible from Marcus in Nick Hornby's *About A Boy*. The childhood star thing aside and Hoult takes the lead again in the adaptation of John Niven's 90's-set novel *Kill Your Friends*, as the ruthless Steven Stelfox. Who, as you may have guessed, indulges in a spot of murder on his climb to the top of the music biz. Though his victims it must be said only at a monumental push could be called friends if the title is anything to go by. It's a clunky watch from start to finish and Hoult doesn't quite convince as a misogynistic misanthropist, plus the supposedly witty banter sits rather stale in this black comedy.

## Bowers & Wilkins P5

[www.bowers-wilkins.co.uk](http://www.bowers-wilkins.co.uk)

Gone are the days where you'd have to sell off an organ in order to afford a pair of Bluetooth headphones, but a semi-decent pair is now available for under a £100. The P5 headphones we have here are at a premium but true to form and long overdue Bowers & Wilkins, have produced some market leading wireless headphones without compromising on sounds quality. There, comfortable, stylish and have two microphones embedded (one for voice and the other for noise adjustment). The sound is clear and rings with every note, but they are 18g heavier than their wired cousins, not that you'd notice. So why not revamp your commute on one of the UK's many terrible train lines.

## Nintendo 3DS

[www.nintendo.co.uk](http://www.nintendo.co.uk)

We've come a long way since Gameboy's and Tetris, and this latest offering from Nintendo has really pushed the handheld to another level. The 3DS which also comes in an XL version appears to be obsessed with symmetry and is all the better for it. There are some new features in then the form of a second thumb stick, larger trigger buttons ZR and ZL, plus the volume slider has moved to the upper left of the screen. The screens have grown a little two, while the weight has decreased. The upgrades to the new 3DS have turned an adequate gaming device into a top performer that can now play with the big boy PlayStation Vista at the higher end of the market.

## AirDog

[www.airdog.com](http://www.airdog.com)

Are you Levison Wood or Bear Grylls on top, but a bit of a geek underneath? Well, this may just be the gadget you've been looking for in that case. The AirDog drone is designed with the GoPro adventurer in mind, with push and go button features. It slots perfectly into an active lifestyle with a waterproof wrist gadget similar to a large watch that acts as both its controller and GPS tracker, telling the device where you are. It even has downward Lidar sensors to stop it hitting the ground, great for avoiding downward collisions but trees still prove problematic, pesky things! With speeds of up to 40mph and with battery life estimated between 10-20 minutes depending on wind and speed factors, its portable and rugged design make it perfect for an off track weekend. So why not plan something manly this weekend? A beard may be required.

# SCRUFF JUSTICE!

## Deception

(Wicked Pictures)

**Starring:** Sheena Ryder, Eric Masterson, Kleio Valentien, Asa Akira, Kalina Ryu, Abigail Mac, Seth Gamble, Jack Vegas, Tommy Pistol

**Synopsis:** Detective Alicia Wallace (Asa Akira) is a valuable and respected officer on the LAPD ... until her husband

is murdered. With a crime hitting so close to home and no leads in sight, accusations begin to fly. Even her own partner suspects something is amiss.

*Courtesy of Wicked Pictures*

**Verdict:** Director Stormy Daniels has created a sexual intrigue wrapped up in police tape, as Detective Wallace (Asa Akira) discovers the murder of her husband. Like all murders, there's a scrap of evidence pointing at it being an inside job found by Wallace's partner Seth Gamble. But don't worry it's not all fingerprints and CCTV, there's some hot action mingling with the hunt. There's a superb blowjob delivered by Kalina Ryu in the opening scene where a massage always has a happy ending. And they even manage to squeeze in some girl/girl action between Kleio Valentien and Abigail Mac, who both show us what fire really is.

## Private Fantasies of Samantha Saint

(Jules Jordan Video)

**Starring:** Samantha Saint, Jules Jordan, Chad White, Rico Strong, Juelz Ventura, Alex Legend, Mark Zane, Eric John, Winston Burbank, Prince Yahshua, Chris Strokes

**Verdict:** Jules Jordan is masterful in his directorial of stunner Samantha Saint and he's pulled out all the stops with a real sense of attention to detail in this latest offering. The first thing we have to mention though is the double penetration in the opening scene, which stands as Saint's first of many we hope. Double stuffing aside there's plenty of other noteworthy scenarios, such as when Saint is joined by the outstanding Juelz Ventura, who leads Saint on a leash, into a room full of cocks that really shows us the fun to be had with two women, plus it all ends in a cum-shower! An epic two-disc set that any fans of Samantha Saint or Jules Jordan will appreciate.

She's the queen of our dreams, which is why we regularly like to make sure we get our quota, top up our reserves and all that. I don't know what we'd do if there were a drought on Dani! So much so we often whisper incantations to the little carved wooden guy on our desk with the disproportionately large knob, in the hope that this may never come to pass! ♣

## SECRET LOVER

I'm 21, needless to say I am no virgin. Lately I have been looking beyond my own circle of friends for someone to spice up my sex life, and surprisingly the hottest lover I have found is one of my dad's closest friends: Tom.

I have known Tom ever since I can remember, as he was often at our house, and as I grew up I found myself becoming more and more attracted to him. It wasn't until my 21st birthday party that I managed to kiss him properly, and that was it! He took my breath away; he was the best kisser ever. When I went back for a second helping I pressed my body against his and was rewarded by feeling a definite boner through his clothing.

Things only got better as the night wore on. We danced close together in shadowy doorways in the upstairs hall and Tom's hands kept finding the exact places that got me quivering. Of course my parents were downstairs so we could not do anything that night, but he asked me out to lunch during the week.

I was flushed with excitement as I drove to meet him, and, by the time I reached the restaurant my panties were soaking. Worried I would embarrass myself, I slipped them off

and left them in the glove compartment. I felt very sexy walking into the restaurant with no panties, and without them my skirt seemed to hug the contours of my buttocks, almost caressing my arse-cheeks.

We kissed briefly and I sat down, wriggling around in my seat as I thought of what must surely come later. Tom quickly put me at my ease, and his hand lightly caressing my thigh sending tingles up my spine as he recommended some choices from the menu.

When the waiter had taken our order Tom's hand slipped further up my inner thigh, making my pussy tingle and my breath catch. I was so worked up that I begged him to just take me somewhere we could make love. He laughed, teasing me about my rush, and pushing his hand further up my inner thigh until he reached my dripping pussy.

When he realised I had no panties on he smiled, and, working his finger between my labia, began gently caressing my clitoris. I couldn't stop the resultant climax as my thighs clamped tightly together and my pussy went into spasm. I closed my eyes hoping to block out my surroundings and I gasped and squirmed and came on his fingers.

Somehow I got through the meal and when he took me to his house and laid me on his bed I was so frantic for him that I almost tore his clothes off. Again he took control, asking me to undress for him so he could appreciate my naked body bit by bit.

I never felt so sexy or wanted by any man before and I took extra pleasure in removing each garment slowly, gradually revealing my whole body to him. He watched intently, stripping off shirt and trousers without paying much attention to what he was doing. His smile broadened and he whistled softly as I bared my breasts and wriggled free from my skirt.

My body prickled with desire as I watched him kick his feet free of his boxers. His cock was thick and long and set my pussy quivering and my mouth watering as I thought of the pleasure he could give me with his impressive weapon.

Pushing me back against the pillows, Tom moved onto the bed and pushed my

legs wide apart. Drawing his tongue between my pussy lips he licked all up and down the delicate folds of my throbbing labia, sighing deeply as he tasted my pussy juice.

I held his head onto me, quivering with passion and delight as he teased my tender pink bits with his lips, tongue and teeth. My back arched and my pussy clenched and ached excitedly as he reached up, and, taking hold of one of my tender nipples, pinched it lightly. That was all it took to have my pussy exploding in his mouth, and I came time after time as he teased and titillated my pussy and breasts with his fingers and tongue.

I was still sobbing for breath as Tom climbed on top of me, still teasing both my nipples expertly and making my whole body shiver with desire. I could not help but reach

down and begin to wank his beautiful cock. Clasp it tightly in my fist, I moved my hand up and down his rock hard shaft in a steady rhythm.

I had to taste it, and as I took his cock between my lips I gasped like I had when our roles were reversed as I sucked and teased his tender cock-head with my tongue. I was working into a rhythm when he pulled away, warning me he was in danger of coming.

With that, he

“**...he licked all up and down the delicate folds of my throbbing labia.**”

pushed his way between my thighs, and slid his big cock inside my pussy. My whole body tingled as my dad's friend filled my love-hole with his cock, and when he began to rock his hips shunting his cock further inside with each stroke I felt my second orgasm growing deep inside my pussy. With a whimper I began to come again, closing my eyes so I could concentrate on prolonging my pleasure as long as possible.

But I need not have bothered, because

“...little trickles of love juice to fall down from her plump pussy lips onto the soft flesh of her legs.”

Tom was an experienced lover and he knew just how to keep me on edge. I was quivering all over and my pussy was contracting and gripping his cock when he began to really fuck me, thrusting hard and deep and making my pussy ache with pleasure as Tom groaned and blasted his warm load hard right up inside me.

Since then we've 'seen' each other two or three times a week, and I'm so addicted to his lovely cock I'm thinking about telling my parents, even though I know they'd go ballistic!

*Jenny, Newcastle*

#### FETISH FUCK

My girlfriend, Henrietta, persuaded me to go to a fetish club the other month. At that time, we'd been together six months, and had tied each other up at home every so often, but we'd never really taken it to the streets before. I have to admit I was quite excited at the prospect. The outfit Henrietta proposed to wear was enough to get me going on its own, let alone the thought of dozens of babes out there wearing similar stuff.

The fateful night finally came round and my fuck, did Henrietta look hot! She was wearing a tiny black rubber miniskirt and matching bra top. Her hair was down and a bit tousled, so it looked like she'd just been fucked, and she had on shiny scarlet lipstick. You know how it is when girls paint their lips so all you can think of is how good it would look smeared around the base of your cock?

By telling myself the longer I waited, the better it would be, I managed to get to the club. Once inside, I was delighted to see that the rest of the women there were wearing next to nothing, too.

In the corner of the club was a large wooden X-shape with straps attached at the endpoints. It looked like some kind of restraint device, and to confirm my suspicions, a tall redhead lady in uniform started to shackle a smaller blonde lady in a rubber bikini to the wooden structure.

Her ankles were strapped in first of all. The

uniformed chick then moved to the other side of the structure to restrain her wrists. Before doing so, the redhead reached round the back of the blonde and unclipped her bra. The blonde let the bra fall gracefully onto her forearms, then tossed it onto the floor with a flick of her wrist, exposing small and jaunty breasts with dark button nipples. At this stage, I noticed that my good lady was watching, too. Her lips were parted and her breasts were heaving up and down really rather rapidly.

The spectacle unfolding before us was obviously turning her on. Well, well, well! My bird a lezzer! This was the stuff of my fantasies, and soon I was sporting an enormous erection that throbbed insistently in my trousers. The uniformed redhead leaned in to the blonde, placing one hand on the back of her neck and reaching in between her legs with the other. Myself and Henrietta watched entranced as the redhead slowly brought her hand back towards her again, holding a silver zip delicately between her fingers as she did so. The blonde's black rubber G-string parted as the redhead slowly unzipped it, revealing her livid pink pussy, glistening with juices.

At this point, Henrietta took me by the hand and led me to the front of the assembled crowd so we could get a proper look. While my lady looked on, all aqiver with lust, the redhead picked up a crop from the side of the cross and began to gently flick it back and forth between the blonde's thighs, coaxing little trickles of love juice to fall down from her plump pussy lips onto the soft flesh of her legs.

Henrietta loved this so much that she actually crouched down onto her heels so she could get a better look. The redhead flicked a look back at my girlfriend, then ran the tip of the whip between her captive's pussy lips, tickling her clit and bringing the tip of the whip out all shiny with juices. She then extended it towards my girlfriend for her to lick. The dirty minx wrapped her tongue

around that little strap of leather quick as a flash, and when the redhead beckoned her closer, tapping the blonde's pert little behind with a whip, Henrietta didn't hesitate for a moment.

Henrietta flashed a look behind herself at me, as if to ask my permission, which I gave with a broad grin, then my girl was snuffling away at the blonde's private parts like a pig at truffles! While the redhead spread the blonde's cheeks and held the G-string apart, Henrietta ran her tongue up the blonde's downy slit, before sticking her tongue so deep inside her pussy that her chin pressed against blondie's clit and made her squirm deliciously against her restraints. Henrietta loved that, and lapped back up the blonde's behind to her arsehole, lapping all around the puckered entrance.

This seemed to please the redhead, who rolled up Henrietta's rubber mini and started to gently polish her backside with the whip. We'd occasionally indulged in a little light spanking, and Henrietta certainly seemed to love this bottomly attention, wriggling her backside as if to say 'harder!' She set to lapping at the blonde's clit feverishly, her tongue flickering back and forth while blondie pushed back onto her face; she was obviously loving it!

Henrietta's bottom was turning a lovely shade of pink, to the delight of my persistent

hard-on. My, was this little madam going to get a good seeing to when I got her home! My girl's face was so embedded in the blonde's behind that I couldn't make out her expressions, but I crouched down and saw her tongue flickering away at a pace. My timing was quite exquisite, as I got my bird's eye view, I saw the blonde's pussy quiver and spasm, and little droplets of juice run down my lover's face. The redhead, who had obviously decided she'd had enough of sharing her booty, whipped Henrietta hard enough for me to actually hear her squeal into the pussy before her, before pulling her back by the hair, kissing her pussy-juice smeared lips and handing her back to me.

I kissed the remains of the blonde's juices clean off Henrietta, leaving a gentle aroma on my face that fuelled a most glorious session when we got home.

TALES FROM THE REAR!

# PEACHES

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...

## PARTY POOPHOLES

The worst thing about throwing a party is the cleaning up. At midnight after the last pre-Christmas bash, there were over-flowing ashtrays galore. As the host, I'd gallantly agreed to let my girlfriend Sarah party, while I'd done my level best to stay sober so that I could make sure no-one threw up on our brand new leather sofa. So, I was the party pooper, but in the end I was glad I hadn't got drunk!

Come one o'clock, I was busy picking up cans and glasses and wondering where Sarah was, and why I seemed to be the only one tidying up. Normally, she's mental about things like that. With the lounge as tidy as I could get it, I strolled upstairs, fully expecting her to be crashed out on the bed. What I wasn't expecting to see was Sarah and another girl naked in bed together, their hands moving around under the duvet. I was so gobsmacked that it took me a minute or so to recognise Ellie, Sarah's college friend and old roommate as the other girl, but suddenly a lot of things fell into place.

Sarah had told me of her last lesbian experience shortly after we started sleeping

**“I had an amazing view of Sarah’s fingers dipping in and out of Ellie’s soaking hole.”**

feel free.”

With that, she threw back the covers to give me a better view and, turning back to Sarah, climbed on top of her and started sucking her erect nipples. God, I was so glad I wasn’t too pissed to focus on this little show!

As Ellie wiggled her way down Sarah’s torso to get better access to her hefty melons, I had a perfect view of her peachy little arse cheeks and bulging cunt as she moved backwards towards me. Unlike Sarah, who trims her pussy hair, Ellie was completely shaven, and I could see every little fold, crease and wrinkle in her labia. The musky smell of wet women started to reach me, and my cock responded in kind. With all my chores done and my girlfriend and her friend putting on a show for me, I did the only decent thing I could: I stripped bare and started gently stroking my aching prick.

Sarah’s hand reached underneath Ellie and slipped between her pussy lips, rubbing her clit and eventually sneaking a finger into Ellie’s puffy hole. I know I’d been told I could only watch, but I’m only human. I slid forward on my knees until my face was level with Ellie’s cunt and my nose was almost touching her puckered bumhole. From here, I had an amazing view of Sarah’s fingers dipping in and out of Ellie’s soaking hole, and her sweet musk hit me right in the nostrils. I couldn’t help myself; my tongue just came out on its own, officer. I carefully and gently lapped at Ellie’s pussy lips as Sarah fingered her. When my girlfriend realised what I was doing, she did me the ultimate favour and, reaching around with both hands, held Ellie’s cunt lips wide open for me.

I didn’t need to be asked. Immediately, I buried my face in Ellie’s glorious, shaven pussy. My nose pressed deep into Ellie’s anus, and my mouth covered her entire cunt. I could feel the hard nub of her clit against my lower lip as my tongue lapped at her wet hole. Snaking inside her, I tasted Ellie’s tangy cunt juice and felt my cock strain even harder. I didn’t dare play with myself, in case I shot my bolt on the spot!

Ellie pushed back against my face as I tongue-fucked her, forcing my nose even deeper into her bumhole as my stubbled chin grazed her button. She began bouncing back onto my face and encouraging Sarah to suck her tits. I felt Ellie’s cunt spasm around my tongue as she came, then felt her ooze cum onto my tongue. I pulled back and turned my attention to Ellie’s clit, which poked out over

with each other, and it had obviously been good, because she’d drunkenly suggested threesomes on previous occasions, only to get cold feet at the last minute. But clearly, when she’d lived with Ellie, things had been a little different, and I can’t say I blame her. Ellie’s a serious piece of work, with long blonde hair, pert tits and an ass you could pound for hours. She’s a total contrast to

Sarah, who’s a curvy brunette with big tits and a lovely plump bum just made for spanking.

Poised as I was, just outside the door, I had to decide what to do. Very quietly, while the girls were busy necking, I snuck into the room and sat down in the chair we normally toss our clothes over. It took them a minute to spot me.

“Hey, babe,” Sarah grinned. “Ellie and I are having ourselves a reunion.”

“No shit!” I laughed, “Need any help?”

“Sorry, Scott,” Ellie smiled, “this is girls only, but if you want to watch us and wank,

## “She slid right back along the full length of my cock...”

its hood invitingly. Taking her clit between my teeth, I gently nibbled on it as my nose sank into her gaping cunt. Flicking my tongue over her trapped clit, I felt Ellie's legs wobble as I built her up to another climax. I held her there for a few seconds, and then forced my tongue back into her drenched cunt, relishing the way her pussy walls clamped down hard on my tongue.

“Stop, stop, stop!” she panted, and I pulled my wet face away from her.

“Where did you learn to do that?” she said, out of breath. I just looked at Sarah, who grinned broadly, “He had a bloody good teacher!”

“Okay, so maybe you can join in. A little,” Ellie allowed, and wriggled back into position saying, “More!”

I was about to do as I was told, but then had a flash of inspiration. Getting up, I crossed the room and opened the wardrobe door so that the mirror inside faced the bed. Now I could watch what was going on with Sarah, while I ate out her bird!

Returning to my position, I started taking long, slow licks up the length of Ellie's cunt, flicking my tongue across the wrinkled bud of her anus. Suddenly, Ellie's hand came around and she popped a finger into her greasy cunt and then straight into her arsehole. ‘Dirty bitch’, I thought, and was about to keep licking when Sarah shifted position.

“Wait a minute,” she said to Ellie, and pulled herself up on her elbows until her pussy was at Ellie's mouth level and her back was propped up on pillows.

“Okay,” she said. “Ellie, get your face into my cunt. Scott, Ellie likes it in her arse.”

Ellie looked over her shoulder at me, grinned and slipped her finger out of her bum and shoved it and another two fingers into her cunt.

“Go on, then,” she chuckled. “Stick it in!”

I'd gone from the prospect of not getting involved at all, to fucking my girl's lover in the arse. Talk about Christmas!

I stood up, my hard-on poking up at the ceiling and my balls aching, and carefully got

into position. Ellie had shuffled backwards slightly, so her butt was perfectly positioned at the bottom of the bed. Her neatly shaven arsehole winked at me while her cunt contracted around her fingers as she lapped at Sarah's pussy. Sarah watched me as I nudged my fat cockhead against Ellie's anus. Pressing very slowly, I eased the head of my cock into her tight ring and let Ellie do the rest; she slid right back along the full length of my cock, moaning as her sphincter stretched to accommodate my girth. As my pubes tickled her bum cheeks, I looked at Sarah.

“How's that feel?” Sarah asked, grinning.

“Fucking amazing!” I sighed, up to my nuts.

“I want long, slow strokes until I say otherwise,” Ellie mumbled around a big mouthful of cunt.

I did as I was told and pulled my whole length out until just the rim of my glans was lodged inside Ellie's tight poopchute, and then plunged back in, her tight ring turning the shaft of my cock white with its grip. I built up to a good rhythm and was getting close to cumming when Ellie stopped proceedings. She made Sarah slide underneath her so the girls could 69 each other.

Now this was new. I had my dick wedged firmly up Ellie's arse and Sarah licking my heavy balls from underneath as she tongued Ellie's gash. It was one of those moments where you wish you had a video camera! I started off slowly again, but Sarah's tongue was pushing Ellie to the edge. “Fuck me harder, Scott!” she groaned, and I really started pistoning in and out of her backside, my balls slapping Sarah's head. I felt my nuts tighten and my cock felt like it was simply going to explode.

“I'm going to cum!” I warned them both.

“In Sarah's face!” Ellie yelled at me.

I frantically tugged my cock out of Ellie's arse, which just gaped in a way so dirty, I just had to shove my thumb up it! Sarah pulled back from Ellie's cunt slightly and I managed three strokes of my cock before I shot what felt like a month's worth of cum into her face and Ellie's dripping pussy. Sarah was drenched and Ellie was dying with laughter.

After that, I was utterly spent, and fell back into the chair to watch Ellie lick my muck off Sarah's face before the two girls went back at it for another hour!

Scott, Cambs.

of operating a vehicle while intoxicated. Przybyla now faces a possible lengthy prison sentence, as it's his tenth drink driving offence it could be anything up to 12 years.

Hmm, something smells fishy in the state of Wisconsin. 76-year-old, John Przybyla, was arrested after being pulled over and failing a sobriety test, again. Przybyla found himself in the dock after he denied drinking alcohol, but did confess to consuming a beer battered fish earlier that evening. Needless to say Przybyla didn't reel in the jury and was found guilty

## Do you take Gator?

However, after paying for his beverage James then tossed a 3.5-foot alligator through the window and into the restaurant kitchen. The alligator was eventually removed but James prank made a lot of people snappy.

The boy in question strolled into the store with a motorcycle helmet on and a sweatshirt over his mouth. The boy then pulled a gun out and demanded money
